Hoover Group Asks Curtailed Gov't Lending

Recommends 104 Agencies Be Abolished Or Support Themselves

WASHINGTON (AP)—The Hoover Commission recommended today that many of the government's 104 lending and insuring agencies be abolished or forced to support themselves under the free enterprise system.

These and other proposed actions, the commission said, would result eventually in return to the Treasury of capital funds totaling \$6,217,943,000. And, it added, they would make possible future Treasury investments totaling \$1,114,000,000.

In addition to such "reductions in the national debt," its overall recommendations ultimately, the commission said, would mean an annual saving of some 200 million dollars.

The 12-man commission, headed by former President Herbert Hoover, made its recommendation in another of a series of reports to Congress on government reorganization. This one covered all federal agencies making or guaranteeing loans.

It said lending or guaranteeing loans "is a function which the government should undertake only when private enterprise cannot or will not perform the function, and then only in furtherance of a justifiable governmental purpose."

Five members of the commission dissented from certain parts of the report, which appeared certain to stir up much controversy. Many of the majority's recommendations would affect directly government programs involving housing, farmers, veterans, and small business.

The report said the number of government lending, insuring, and guaranteeing agencies had grown in 42 years from none to 104.

It said federal loans, guarantees, and commitments such as mortgage and bank deposit insurance totaled \$24,272,515,000 last June 30—not counting hidden subsidies, which the commission said should be disclosed.

The commission said the government has a \$16,900,000,000 investment in the 104 agencies, which are authorized to draw on the Treasury for \$14,100,000,000 more.

Rep. C. Hollifield (D-Calif.), a commission member, said the majority proposals "point in the direction of tighter agricultural credit, a slowing down of housing construction, restrictions on the rural electrification program, and limitations on other direct or indirect aid provided by the federal government."

The commission specifically recommended liquidation of programs involving 12 Production Credit Corporations, the Agricultural Marketing Act revolving fund, the Federal Farm Mortgage Corp., and loans for college housing.

Carrier Mills Man Parachutes From Crashing Jet

A U. S. Marine F2H Banshee jet crashed today but it's pilot, a Carrier Mills man, parachuted to safety. A United Press dispatch from Tokyo revealed today.

Lt. Charles Scott Ritter, son of Mrs. Ann Ritter and the late H. E. Ritter of Carrier Mills, was pilot of a jet that crashed about 35 miles west of Tokyo. But he parachuted to safety and reported the crash to his base.

The UP dispatch states he walked from the crash to the remote village of Hikawa and from the village police station reported the crash to his base at Atsugi, Japan.

Lt. Ritter, 27 years of age, served a three year hitch in the navy, then reentered the service as a Naval cadet and received his commission and wings about two years ago.

He was home in July of last year and in the late summer reported for duty overseas. He was recently reassigned from duty in Korea to Japan.

Another son of Mrs. Ritter, Sgt. Hugh Reid, is also in military service, serving in Germany as an engineer.

Emig Resigns as Pastor Presbyterian Church; Accepts Call to Edwardsville

At a congregational meeting Sunday morning the Rev. John Emig submitted his resignation as the pastor of the First Presbyterian church of Harrisburg. The congregation accepted his resignation to be effective March 31. Rev. Emig has accepted a call to be the minister of the First Presbyterian church of Edwardsville, a suburb of St. Louis. Rev. and Mrs. Emig plan to move there about March 28.

The ministry of Mr. Emig in Harrisburg has been very effective. Under his leadership extensive repairs were made on the manse and approximately \$24,000 was raised for an extensive repair and redecorating program on the old church. At the conclusion of this work the church was destroyed by fire and Mr. Emig immediately led his congregation into a new building program which concluded with the dedication last April of a new and beautiful church constructed at a cost of \$163,000 which was totally underwritten by pledges and cash gifts.

Active in Presbytery

During the pastorate of Mr. Emig the Harrisburg church has become one of the most active in the Cairo Presbytery. There has been an outstanding increase in the church attendance and also the Sunday school. The Senior High Sunday school class has grown so large that it has been split into two sections with fine attendance in both classes. The Junior and Senior High Westminster fellowship for the youth of the church has more than doubled in attendance and there now is a well trained youth choir which regularly assists the adult choir in the Sunday morning services.

The Harrisburg church at the present time also has one of the largest Boy Scout troops in the area. There is also an excellent Cub pack and an explorer troop. The adult men's class has more than doubled in attendance and each Sunday morning the men have breakfast together before church.

A Men's Council has been organized during the pastorate of Mr. Emig and the Board of Deacons have responded to his leadership. Early in his ministry they sponsored various activities and raised sufficient money to purchase one of the best equipped audio visual sets of equipment in the area. They have also aided the minister in calling on delinquent members as well as prospective new members. They also sponsored spiritual life services which brought a tremendous uplift to the church.

Mrs. Emig Also Active

Mrs. Emig broadcast his morning worship services for three years. Thousands of people in the area were regular worshippers with the Presbyterian church.

Mr. Emig served the community as the president of the Harrisburg Ministerial association and also as chairman of the Television committee for the churches of southern Illinois.

Return Body of Sfc. Neal Cantrell, Who Died in Korea

The body of Sfc. Neal Phillip Cantrell, who was captured by the Communists during the Korean war on Feb. 12, 1951, and was reported dead in a Communist prisoner of war camp on June 7, 1951, is being returned home for burial.

The body, which was shipped to New York, will arrive in Eldorado on the NYC Thursday morning and will be taken to the Courtney funeral home at Galatia.

Funeral services will be held Saturday at 11 a. m. at the Union church south of Thompsonville with interment in the church cemetery.

Rev. Ocie McClarren and Rev. Ray Series, both of Thompsonville, will officiate.

Sfc. Cantrell was the son of Mr. and Mrs. Redge Cantrell, Galatia, and is also survived by a sister, Phyllis, and a brother, Elbert C. Cantrell, both at home.

He was born Nov. 16, 1930, near Thompsonville and enlisted in the Army on Jan. 3, 1949. He served with the 38th Infantry, 2nd battalion in Korea.

His body was buried in Changsong, North Korea, until returned to the United States.

Rev. John Emig

Illinois. He has also been ready at all times to assist in the civic and religious affairs of the community. At the present time he serves Cairo Presbytery as the chairman of Foreign Missions and also as director of Missionary Education. He is also the director of radio and television for the Presbytery and is a member of the commission on radio and television of the Illinois Council of Churches.

Mrs. Emig has been very active in the church serving as a teacher in the primary department; singing in the choir; sharing the teaching responsibilities for a Bible study and prayer group which meets every Thursday morning; teaching in the Daily Vacation Bible school and is very popular as a speaker and devotional leader.

The Edwardsville church of over 800 members offers a fine opportunity for the Christian leadership of Rev. and Mrs. Emig and the best wishes of Harrisburg go with them as they take up their new work.

Sangamo Move May Be Averted

BULLETIN
MARION, Ill. (AP)—The Sangamo Electric Co. gave official notice today that it has closed its capacitor division near Marion.

SPRINGFIELD (AP)—The president of Sangamo Electric Co. said today there was a possibility a move to close Sangamo's Marion plant permanently might be averted.

President C. H. Lanphier said the firm plans to shut down the factory as announced Friday night by H. L. Kunz, vice president in charge of the Marion operations, after striking workers voted against going back to their jobs.

However, Lanphier noted that a meeting had been scheduled at Marion today between officials of the company and the AFL International Association of Machinists, and Federal Conciliator A. M. Thompson.

The company president said there were as yet "no specific plans" for when or where the Marion operation would be moved.

Sangamo has operated the plant near Marion for nine years, using the facilities of the World War II Ordnance plant.

The plant makes capacitors and employed 1,200 persons, of whom 880 were affected by the strike. Lanphier said the plant has had a total monthly payroll of \$225,000.

Mrs. Joe Wells Dies at Eldorado

Mrs. Della Wells, wife of Joe Wells, 728 Park street in Eldorado, died yesterday at 6 a. m. in the Pearce hospital.

Besides her husband who operates a feed store in Eldorado, she leaves a son, Eugene Wells, Eldorado, and a daughter, Mrs. Geneva McCoy, Eldorado; two brothers, Bryon Echles, St. Louis, Mo., Kenneth Echles, California, and a sister, Mrs. Ed Jeff, Granite City, and three grandchildren.

She was a member of the First Methodist church in Eldorado where the funeral will be held Tuesday at 2 p. m. Rev. C. C. Lowe will officiate, and burial will be in Lindsale Memorial Gardens. She was also a member of the Eastern Star.

The body will lie in state at the Martin funeral home in Eldorado.

Two Runs by Fire Department

The fire department made two runs this morning but there was no fire damage at either place.

At 10:30 a. m. a call was made at the home of Ernest Russell, 1228 South Land, where a utensil on the stove boiled dry and filled the house with smoke.

Tornado, Forest Fires Hit in Southern States

Ohio River Crests At Evansville; At Least 7 Flood Dead

By United Press
A cold front which touched off a death-dealing tornado drove deep into Dixie today and high March winds fanned vast forest fires in three southern states.

The unpredictable March weather was turning its full force on the Southland.

A cold wave moved into the northern Midwest, but springlike temperatures dominated much of the nation. Ohio river flood waters were falling and gentle winds flowed across the Southwest "Dust Bowl" area.

But in South Carolina's peach-growing belt two persons were dead, at least five were injured, and scores of homes were destroyed or damaged in the wake of a vicious twister.

The tornado, springing from the leading edge of a bank of cold air, raked three South Carolina counties Sunday night with ripping winds and hail the size of golf balls.

The small farming town of Ridge Spring got the worst of it. Almost every building in town was destroyed or damaged and two persons, Buck Coats, 60, and Ree Ann Cary, 3, were killed.

The nearby towns of Edgefield, Johnston, Monetta and Batesburg also were hard hit and widespread damage was reported in the area's big peach orchards.

Accompanying rains spread over northern Alabama, northern Georgia and most of South Carolina.

But the moisture didn't get as far south as the areas in Georgia, Alabama and Florida where huge forest fires raged through tinder-dry woodlands.

More Bodies Recovered
To the north, the weather lent on areas which weathered flood waters, tornadoes, and disastrous dust storms last week.

The swollen Ohio river, sending its flood crest rolling down towards the Mississippi, was dropping rapidly in Indiana.

It hit a 44.5 foot crest at Evansville Sunday and 80 families driven from their homes in the area were not expected to get back until mid-week.

Upstream, the falling waters yielded three bodies in Ohio. They were brought to at least seven the total of Ohio flood victims.

HTHS Students Win Ratings in Music Contest

The district music contest was held March 12 at the Mt. Vernon township high school. Several ensembles, instrumental soloists and vocal soloists were entered from the band and chorus departments of the Harrisburg Township high school.

All superior winners will participate in the state contest to be held April 29 and 30 at Bradley university in Peoria.

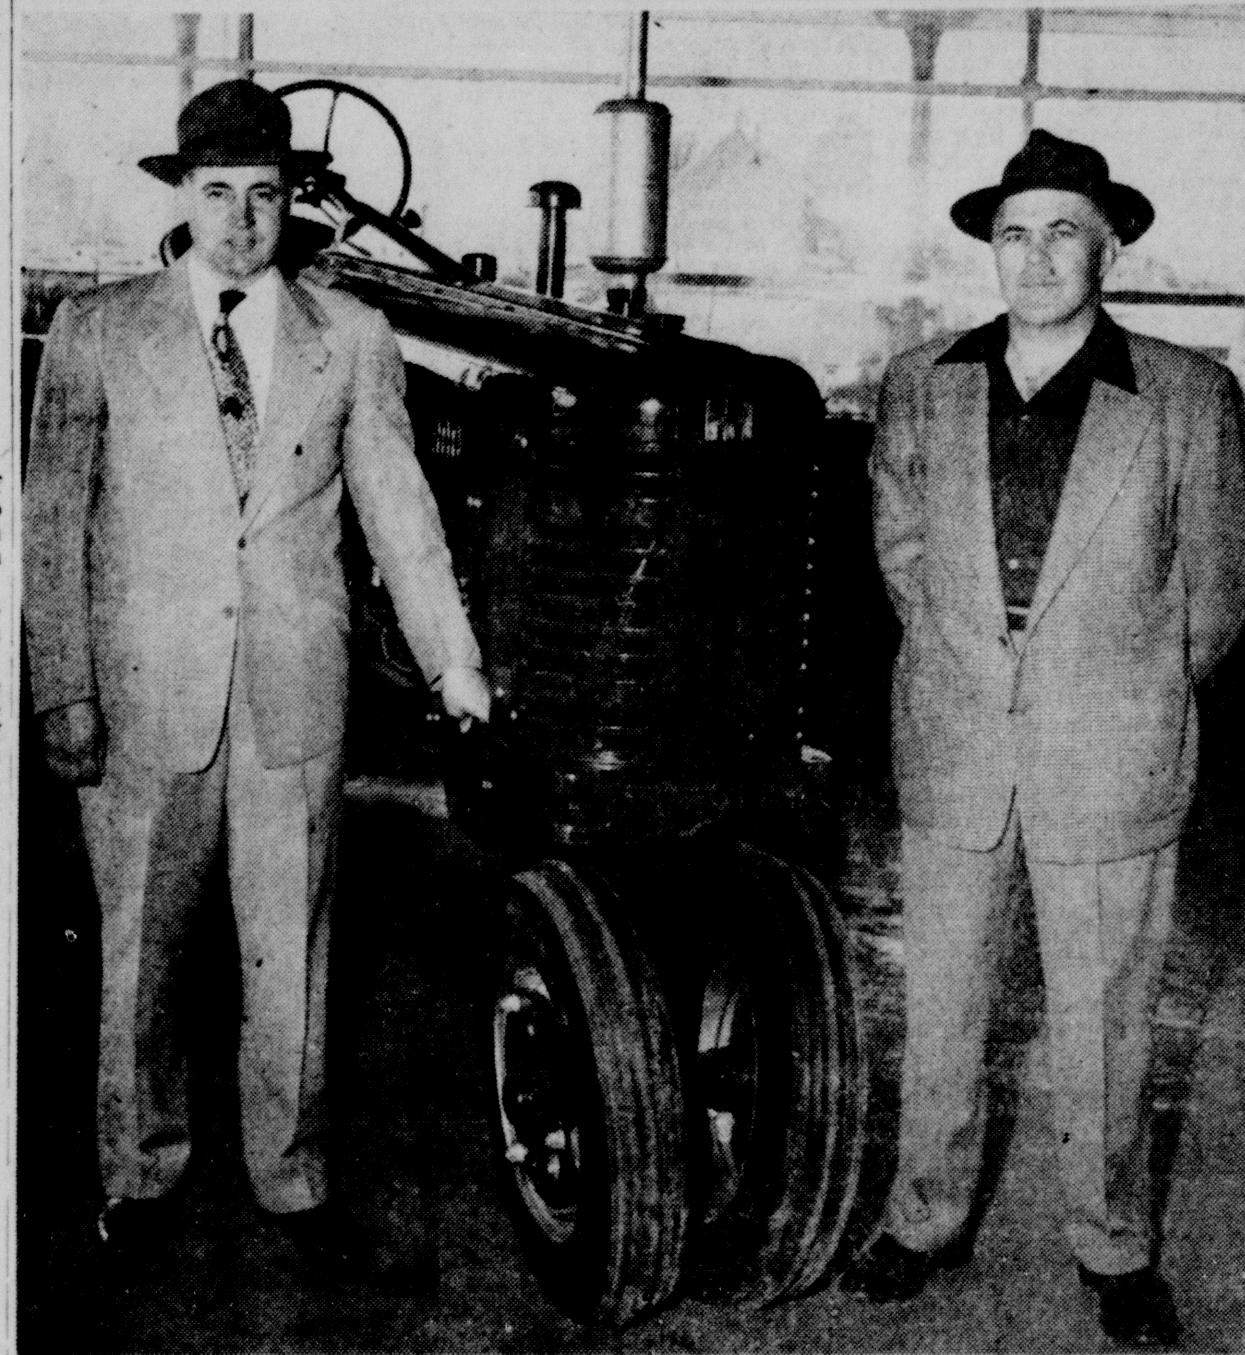

Students from the chorus department receiving superior ratings were soloists Fred Kinnaman, Dorothy Hanning, Carroll Clark; mixed octette composed of Barbara Dunn, Dorothy Hanning, Dorothy Schneider, Ann Endsley, Dick Childress, John Baker, Fred Kinnaman and Dick Fritts.

Excellent ratings were given to soloists Judy Cook, Barbara Dunn, Oren Brown, and Dick Fritts, and Nancy Fulkerson, soloist, was awarded a good rating.

From the band department superior ratings were awarded to Linda Rude, piano; Bill Bottomley, trumpet; Jerry Bramlet, reed; saxophone; Bill Brantley, snare drum; Paula Reynolds, marimba; flute trio composed of Barbara Dunn, Norma McDonald, Treva Humphrey; clarinet trio, Jeanie Lewis, John Klein and Judy Godard.

Excellent ratings were given to the brass sextette, which includes Bill Bottomley, Bill Skaggs, Charles Ford, Tommy Davis, Charles Dabney and Tom Pfister; clarinet quartette, Alan Burbank, John Maszaros, Jerry Thompson and Joan Priest; twirling ensemble, Joy Taylor, Sandra Lassater, Judy Wells and Beverly Bishop; and to soloists, Janice Stiff, twirling; Mathis, marimba; Barbara Dunn, flute; and Norma McDonald, flute.

Those receiving good ratings were Jeanie Lewis, clarinet solo; John Klein, clarinet, Janet Jahn, bassoon, and Norma Simpson, twirling.

TO OPEN I. H. DEALERSHIP IN ELDORADO—George (left) and John Scherrer, of the Scherrer Equipment Co., Ridgway, have announced plans to open a new International Harvester dealership in Eldorado, following the purchase of equipment and facilities of Brown Bros., local IH dealer. (Register Photo)

Scherrers Purchase IH Dealership From V. V. Brown

Purchase of the equipment and facilities of Brown Bros., local International Harvester dealership operated by V. V. Brown, has been announced by John and George Scherrer, of the Scherrer Equipment Co., Ridgway.

The Scherrers, who have been International Harvester dealers in Ridgway since 1947, plan to open a new dealership in Eldorado, which would be approximately the central location for the dealership's trade area.

Both brothers are experienced in the farm equipment business and in various aspects of farm operation. Before World War II, John Scherrer was agriculture instructor at Shawneetown high school, and at Shawneetown, Ill., where he was with the REA in Washington, D. C.

Land for the building site has been purchased on Rt. 142 at Eldorado, next to the REA building there, and as soon as the ground is dry enough for grading and leveling, construction will start. They plan to first build a warehouse, from which the business will be conducted until the new building with the familiar IH facade is completed.

John R. DeVous, 72, farmer living on Herod Star Route in the Oak community, died today at 1 a. m. at the family residence. He had been in poor health for the past nine months.

He was a former resident of Gallatin county and moved to Gary, Ind., returning about three years ago to settle in Pope county.

He leaves his wife, Mildred; six children, Phil DeVous, Equality, Robert and Joe of Equality, Sebastian, Junction, Margaret Agianne, Eldorado, and Mary K. Keller, Evansville, Ind.; 19 grandchildren; one brother, William DeVous of Ridgway; and three half-sisters, Mrs. Catherine Boulton, Chicago, Mary Agnes Fry, Chicago, and Cecile McGuire, Harrisburg.

The funeral will be held Thursday at 9 a. m. at St. Mary's Catholic church. Rev. T. G. Bruns will officiate, and burial will be in St. Joseph's cemetery at Ridgway.

The body will lie in state at the Turner funeral home in Harrisburg until funeral time.

Pump Water Into Reservoir from Old CIPS Spray Pond

The city today was pumping water into the reservoir through the 750 gallon per minute pump from the old CIPS spray pond that now belongs to the city. Amos Doorn, water department superintendent, said a bacteria count was being made today to determine if the Middle Fork backwater caused by a high Ohio river could be pumped into the reservoir.

Congressional Committee Warns Of 'Uncertainty' in Economy

WASHINGTON (AP)—A congressional economic committee declared today that the national economy has been "improving" but warned there are "elements of uncertainty" in the economic outlook.

The Joint Committee on the Economic Report cautioned specifically that a downward trend in farm income offers a "serious threat to the economy as a whole."

In one important field—taxes—the 14-member committee split on party lines.

"The majority (Democrats) support further adjustment in the tax structure at this time which without sacrificing revenue, will increase consumer purchasing power," the report said. Chairman Paul H. Douglas (D-Ill.) called that an endorsement of the Democratic-sponsored income tax cut now pending in the Senate.

"The minority (Republicans), on the contrary, feel that it is premature to make adjustments now, especially since, among other considerations, the impact of last year's changes have not been fully experienced," the report said.

Chairman Douglas discounted statements asserting that Republicans had "forced" revisions which, in effect, toned down the findings of the whole committee. Douglas said Democrats "had the votes" and could themselves have "forced" a majority report on the GOP. He conceded that some changes were made in a preliminary draft.

At a news conference, Douglas made public a memorandum listing 25 particulars, in a dozen broad fields, in which GOP committee members agreed with their Democratic colleagues. Douglas listed these unanimous agreements:

1. There was a "recession" last year. Although it has been "improving" since late in the year, the economy has regained only about one-half in production and one-third in erased unemployment. There has been "unevenness" in the recovery and some areas and industries remain in serious straits.

2. The decline in net farm income is expected to continue, but more slowly. That trend threatens the whole economy. The report sees "expanding consumption" of farm commodities as the solution rather than a program of controlling and reducing production.

3. The committee favors increasing public works—by federal, state and local governments—including schools, highways, hospitals, slum clearance, public housing and the like. Where the federal government should come direct from the treasury through indirect plans as proposed by President Eisenhower in the highway and school programs. The debt limit should be increased.

In their longer and more sharply worked supplement, Democrats mentioned automobile production and home construction as two segments of the economy which may fail to continue at their present rates during the second half of the present year.

Dr. J. C. Murphy Dies at Ridgway

Dr. J. C. Murphy, 78, who for many years was a practicing physician in Ridgway, died at his home Saturday night. He was a veteran of World War I, serving in the Medical Corps.

Funeral services will be held Tuesday at 2 p. m. at the Presbyterian church in Ridgway. Elder T. Leo Dodd will officiate, and burial with military rites will be in the Wolf Creek cemetery in Eldorado.

The body is now at the Smith and Edward funeral home in Ridgway and will be taken to the church to lie in state one hour prior to the funeral.

He leaves his wife, Laura, and a daughter, Miss Juanita Murphy at home.

15,000 L&N Rail Workers Begin Strike

LOUISVILLE, Ky. (AP)—Pickets marched in front of railroad stations, freight houses and shops in 13 states today as 15,000 non-operating employees of the Louisville & Nashville Railway and two affiliated lines went on strike.

The strikers were members of 10 AFL craft unions and railroad brothers, whose ranks included telegraphers, signalmen, car men, machinists and other essential trades.

A few minutes after the strike deadline, a company official here said, "The pickets are out, but we still plan to operate as near to normal as possible."

The strike climaxes almost two years of futile negotiations centering around a health and welfare plan under which the railroad would contribute \$3.40 a month toward a health and welfare plan, with a matching sum to be deducted from the employee's wages.

This plan was recommended by a presidential emergency committee last August and accepted by almost 90 per cent of American railroads. The L. & N. contends that compulsory deductions are contrary to law and says it will not accept any such plan.

Of the 15,000 walking out, about 4,500 are employed at L. & N. shops and headquarters here. An estimated 3,500 work for the Nashville, Chattanooga and St. Louis, and 1,100 for the Clinchfield Railroad, both L. & N. affiliates. The rest are L. & N. employees scattered over the road's 4,737 miles of lines in the South.

Sends Mutual Security Report To Congress

President Says U. S. Concerned with Stability of Nations

By United Press
President Eisenhower sent his semi-annual report on the mutual security program to Congress today and reported that the United States has shifted the bulk of its economic aid to Asia.

He pointed out that the underdeveloped countries of Asia hold the bulk of the world's population, occupy the largest land area, contain major sources of key raw materials and minerals and many of the most valuable military bases.

Because of this the United States must be "deeply concerned with the stability of these countries" and help them achieve the economic growth necessary to facilitate the raising of their living standards and their movement toward democratic government, Mr. Eisenhower said.

The President will submit a special message to Congress next month. Foreign aid chief Harold Stassen, just back from a 30,000-mile trip to seven Asia countries, said today that this will recommend a "significant" increase in U. S. economic aid to Far Eastern nations.

Other congressional developments:
Markets: Federal Reserve Chairman William McChesney Martin Jr. testified before the Senate Banking committee that he opposes putting trading on the stock exchanges on an all-cash basis.

He said a move, Martin said, would "not eliminate speculative excesses and would have a tendency" to discourage the development of capital needed for expansion of the nation's economy.

Taxes: Senate Democratic Leader Lyndon B. Johnson said today that Treasury Secretary George M. Humphrey "... is trying to be the best big business secretary since Andrew Mellon" during the administration of President Herbert Hoover. Senate Republicans, however, defended Humphrey as "able, sincere and well-qualified."

The word battle broke out as the senate resumed consideration of a compromise income tax cutting plan submitted by the Democrats.

Humphrey led the opposition with a special statement denouncing the compromise for a \$20 and \$10 cut as "unwise political tinkering."

Sen. Hubert H. Humphrey (D-Minn.) led proponents of the legislation with an accusation of "irresponsibility" in tax legislation leveled at the Eisenhower administration.

That charge previously had been hurled at the Democrats by the President and his Treasury secretary.

The Minnesota senator said Congress has to choose between "the American people or big business corporations."

George Humphrey called the compromise a "political quackie gimmick" which would repeal "some of the important tax changes" in the 1954 law that helped to "make new jobs and better times."

The compromise is scheduled for a vote in the Senate Tuesday. It would give a tax cut of \$20 to each taxpayer and \$10 for each dependent except his wife. It also calls for a tax increase on business and stockholders.

Mrs. J. P. Mick Dies at Eldorado

Mrs. Pearl Mick, 71, died yesterday at 5:30 p. m. at her home at 812 Madison street in Eldorado. She was the wife of J. P. Mick who survives her and the daughter of the late S. D. and Margaret Lane Lewis of Texas City.

She had been in failing health for some time but death came unexpectedly.

Besides her husband she leaves a sister, Mrs. Carrie Vaughn of Eldorado, and two brothers, Hayward Lewis, and John Lewis, both of Cleveland, Ohio; a niece, Mrs. June Raley, Eldorado, and a nephew, Hayward Lewis of Chicago.

A brother, Edward Lewis, and a sister, Mrs. Lou King, preceded her in death.

The funeral will be held Tuesday at 1:30 p. m. in the chapel of the Bean and Tanner funeral home where the body now lies in state. Rev. Austin Heuver will officiate, and burial will be in the Wolf Creek cemetery.

Preparing to Fight TB

The Saline county-wide tubercu-
losis checkup, scheduled to begin
tomorrow will be only as effective
as the degree of public coopera-
tion given to it, and the degree of
cooperation will depend largely on
the public's understanding of the
campaign and confidence in those
sponsoring it.

This survey is being undertaken
jointly by the Egyptian Health De-
partment and the Saline County
Tuberculosis association. It will
present to every citizen of Saline
county an extraordinary opportu-
nity to take stock of their own
health and that of their families.
By taking advantage of this chance
to reassure themselves of their
freedom from TB infection, or to
learn of any infection in time to
forestall a serious if not fatal af-
fection, those who participate in
the campaign will be serving not
only their own interests but the
best interests of the whole com-
munity.

Wholehearted individual coopera-
tion in the forthcoming health en-
terprise is a prerequisite to the
full realization of the objectives of
this third county-wide combined at-
tack on TB—a disease which con-
tinues to bring an unnecessary
burden of suffering, tragedy, and
grief to the people. . . . Every citi-
zen should join up to make cer-
tain that the battle against tuber-
culosis does not fail in Saline coun-
ty.

The WASHINGTON MERRY-GO-ROUND By DREW PEARSON

DREW PEARSON Says: The
Faces Decision To Use A Bomb
In China; Dulles Swings Over
To Knowland's Side For De-
fense Of Quemoy-Matsu; China
Reds Laugh At Dulles' "Stand
Firm" Statements."

WASHINGTON. — The Burmese
government has given a confi-
dential, highly important report to
the State Department regarding an
exchange between Chinese Foreign
Minister Chou En-Lai and Burmese
Premier U Nu. It sheds shock-
ing light on how our policy of wav-
ing the big stick has failed in the
Far East.

The Burmese premier told Chou
quite recently that he was con-
vinced the United States meant
business and would now fight to de-
fend Formosa and the surround-
ing area.

Chou En-Lai's reply was a hearty
laugh.

He said the United States had
been cutting its military budget at
the same time it was shaking the
big stick and he just wasn't wor-
ried a bit.

Premier U Nu argued that he
was certain the United States, de-
spite various other retreats, was
now ready to stand pat.

But the Chinese foreign minis-
ter continued to laugh.

Later the Burmese passed this
on to us for whatever it was worth.
"MASSIVE BLUFF"

What Chou En-Lai had in mind,
of course, was the long series of
"massive warnings" given by Sec-
retary of State Dulles, Vice Presi-
dent Nixon, and the President him-
self which in the Orient had been
tabbed "massive bluff." Every time
we have warned we have
backed down in Indo-China or with-
drawn from the Tachen Islands or
cut the budget further—as detailed
in this column last week.

All this is partly why Secretary
Dulles has been pounding confer-
ence tables behind closed doors in
the foreign relations and foreign
affairs committees and stating with
more vehemence than ever that
the United States now means busi-
ness, that we will not back down
again.

If Dulles now means what he
says and if the Chinese Reds still
don't believe him, this could easi-
ly lead to war.

At any rate, here are some of
the backstage happenings that
have taken place in quick suc-
cession since Dulles arrived from the
Far East.

1. Dulles has definitely and
positively recommended to Eisen-
hower that the United States de-
fend the small off-shore islands of
Quemoy and Matsu. Hitherto he
had been opposed.

2. Eisenhower, before making a
final decision, has ordered the
Joint Chiefs of Staff to review the
military consequences of defend-
ing the two islands.

It seems strange that this was
not done a long time ago. How-
ever, the joint chiefs have been
meeting almost continually during
the past week, and by the time this
appears in print the review should
be completed.

JOINT CHIEFS SPLIT
It will show, as indicated in ear-
lier columns, a serious split inside
the Joint Chiefs of Staff with Gen.
Matt Ridgway, Army chief of staff,
emphatically opposed to getting
bogged down on the islands imme-
diately adjacent to the Chinese
mainland.

Ridgway argues that the islands
are only three minutes flying time
from the mainland; that the Chin-
ese could pepper our installations
with both aerial bombs and artil-
lery, make movement of our de-
fenses. He believes it would be
only of the worst kind to defend
hat thousands of American troops
would be lost, that instead we
should evacuate Chiang Kai-shek's
army immediately.

U. S. naval reports are also dis-
concerting. Adm. Felix Stump,
who's been looking over Matsu, is
not much impressed with Chiang's
makeshift defenses. He fears the
.000 poorly trained troops on the
island—if unsupported—could not
hold out for more than a week.

Admiral Carney, chief of naval
operations, just returned from the
Far East, also reports that the U.
S. Navy could not operate between
Quemoy or Matsu and the main-
land. This means the Navy can't
throw a cordon around the islands
and isolate them in case of battle.

THE REAL DECISION
All this boils down to the fact
that there is only one way to de-
fend these islands—the atom bomb.
The Army already has a store of
small A-bombs on hand which can
decimate troops without injuring
civilians. This was hinted by Sec-
retary Dulles in his backstage
talks with senators.

What President Eisenhower
faces, therefore, is not decision to
defend a group of small islands off
the Chinese mainland.
What he really faces is a mom-
entous decision to drop the atom
bomb for the first time since it
was dropped during the closing
days of the Japanese war 10 years
ago.

Note — Use of the atom bomb on
the Chinese mainland will, of
course, send waves of propaganda
hated reverberating against us
throughout Asia. Even if the bomb
is confined to troops, the reaction
will be just as bad as the reaction
against the Kaiser when he author-
ized the use of poison gas in World
War I. In contrast, the use of the
boycott-blockade, favorite weapon
of the Oriental, would cause no
bad backlash, would in the long run
be more effective.

CAUSTIC SENATOR
Florida's matinee-idol Sen.
George Smathers was recording a
speech the other day, in support of
President Eisenhower's reciprocal
trade program.

A visitor in the recording studios
stopped Smathers as he was leav-
ing.

"I am a Kentucky coal-mine op-
erator, and I want you to know I
disagree with everything you
said," protested the visitor.

"I'm glad to hear that," replied
Smathers.

"You're glad to hear that I dis-
agree with you?" demanded the
coal man.

"No, I'm glad to hear you're
from Kentucky," retorted the Flori-
da senator as he departed.

Russian Shoots Way Into British Embassy; is Seized

MOSCOW (U)—A well-dressed young Soviet citizen shot his way into the British Embassy Sunday night and wounded a Moscow militiaman before being disarmed by British officials and turned over to reinforced Soviet police.

British officials said the fur-capped Soviet citizen, wearing better-than-average dark clothes, pulled a gun and opened fire when two Soviet militiamen tried to prevent him from sprinting into the embassy courtyard.

One of the militiamen was wounded in the chest. The gunman then dashed into the embassy building past a surprised British guard at the reception desk and bolted up the staircase leading to the apartments of Ambassador Sir William Hayter and his wife.

Officials said they had no idea of the man's motive. It was believed the 25-year-old man, whose name was not disclosed, may have been mentally unbalanced.

New Illinois Supreme Court Justice Takes Oath of Office

SPRINGFIELD (U)—The Illinois Supreme Court today convened for its March term and Charles H. Davis, new justice from Rockford, took his oath of office. More than 50 persons, mostly friends and relatives of the new jurist, filled the courtroom. Chief Justice George W. Bristow of Paris administered the oath.

Four Cars, Two Parked, Damaged in Crash

Four cars, two of them parked, were damaged at 9:25 p. m. Saturday on South Granger street at Lilly.

City policeman Pat Atkinson said that a car, driven by Ned Neighbors, 58, Belleville, started to turn left off Granger as an auto driven by Jeweas Craig, 29, Carrier Mills Route 2, started to pass him. They collided and Craig's car hit two parked cars belonging to Walter Cummins.

Mite Boxes Presented At Meeting of Amanda Reynolds Missionary Society

The Amanda Reynolds Missionary society of the Sloan Street General Baptist church met at the church Wednesday night. There were 16 members present and four visitors. The meeting was opened by singing "All Hail the Power of Jesus Name" followed by prayer by Mrs. Frankie Vinyard. Mrs. Sylvia Fowler, teacher, gave the lesson, "Dorcas the Charitable," assisted by several of the members who gave topics.

The business meeting followed in charge of Ola Maszaros, president. Minutes of previous meeting were read and treasurer's report given. Delegates were elected to attend the one-day convention to be held April 13 at the Omaha General Baptist church to which all the societies of southern Illinois will be represented. Mrs. Ruby Wallace joined the society at this meeting. In April officers for the coming year are to be elected and a nominating committee of three was appointed to make their recommendations at the April meeting.

Each member of the society keeps a "mite box" to which monthly donation is made over and above the tithe to the church. These boxes were presented and opened at this meeting. The service was very solemn, being held in candlelight. Special music was played by Delores Wallace and a solo by Blanche Yuhas titled "What a Saviour." The church was unlighted except for the candles and a spotlight directed on a table at the altar on which was a cross signifying the dedication of the offerings to Christ and missions. As each one brought forward their box they were given a lighted candle and formed a circle in the altar where prayers were prayed to bless the offering. In dismissal the group repeated the Lord's Prayer in unison. These offerings are used to help support missionaries working in countries assigned to the General Baptist denomination. The offering was \$58.22.

The following were present: Sylvia Fowler, Ola Melton, Eunice Black, Frankie Vinyard, Lillie Allen, Ollie Ferrell, Louise Brinkley, Ola Maszaros, Geraldine Ewell, Myrtle Shermaker, Dena Ellis, Vera Shewmaker, Cora Church, Flora Mays, Stelle Cooper, Blanche Yuhas, Linda Deaton, Delores Fowler, and Ruby Wallace.

Soldiers For Jesus Class Plans New Projects

The Soldiers for Jesus Sunday school class of the Dorrisville Social Brethren church met in the church basement Friday evening. The program opened with prayer by Gus Agin and with group singing.

Rev. Tommy Guest offered prayer at the beginning of the business session conducted by the president, Charles Hale. Roll call was answered with a Bible verse beginning with the letter M for the month of March. New projects were begun to raise the funds for the treasury by each one carrying a dollar and then multiplying it. The class is also to meet at the church Tuesday evening to visit several homes for prayer service on behalf of the coming revival.

Games were conducted by Helen Walker and Rev. Clifford Bennett with prizes going to Alice Wilson, Shirley Guest and Gus Agin.

Refreshments were served by Marian Hale and Annabell Bennett, with Rev. Bennett returning thanks. Others present not mentioned were Mrs. Lance Myers, class teacher, Mrs. Frances Holland, Mrs. Gus Agin, Mrs. Charles Hale, Mr. and Mrs. Gene Wilson and children, Artie Holland, Gary Walker, Vickie and Judy Hale and Timmy Guest.

Mrs. Ruth Gaskins Hostess To McKinley Naomi Class

The Naomi Sunday school class of the McKinley Avenue Baptist church met Thursday with Mrs. Ruth Gaskins with 13 members present.

Mrs. Robert Powers, president, conducted the worship program which opened with the song "What a Friend We Have in Jesus" and with prayer by Mrs. Charles Lamar. The minutes were read by the secretary, Mrs. Ollie Fulkerson.

Roll call was answered by giving a scripture verse and the treasurer's report was given by Mrs. Tom Rogers. Mrs. Carrie Jackson gave the devotion taken from the book of Luke. Prayer was offered by Mrs. Media Gaskins and Mrs. Jane Gasaway for the sick members and for the coming revival in April.

Refreshments of angel food cake and coffee were served to those mentioned and to the following: Mrs. Murtha Asbridge, Mrs. Della Smith, Mrs. Gertie Hutchinson, Mrs. Nancy Fowler, Mrs. Patsy Gibbons and one visitor, Mrs. Ollie Fulkerson's daughter from Gary, Ind.

H. C. Hodges, basketball coach at the University of Idaho at Moscow, is visiting with his brother-in-law and sister, Mr. and Mrs. O. T. Swinney of Harrisburg, and with other relatives and friends in southern Illinois and in Kentucky. He plans to return to his home Wednesday. Also visiting at the Swinney home on Sunday were Mrs. Swinney's brother-in-law and sister, Mr. and Mrs. Henry Borah, and Mrs. Borah's grandchildren, Tom, Marilyn and Pat O'Neal, and Mrs. Swinney's niece, Sharon Hodges, all of Fairfield.

itiation service to be known as Fritz's Sanitation Service. He is the son of Mr. and Mrs. John Cutrell and is located on Eldorado Rt. 1.

Heiskari-Roper Wedding Sunday, March 13

Announcement was made today of the wedding of Mrs. Ernestine Roper, daughter of Mr. and Mrs. Ewell Wroark, and Ed Heiskari of this city. They were married Sunday at 7 o'clock in the evening, by the Rev. Elmer Grisham, Social Brethren minister, at his residence.

Rev. Grisham performed the ring ceremony in the presence of Mr. and Mrs. James Byrd, who accompanied the bride to her home. Mr. Heiskari, who was formerly operator of a steam shovel at Sahara 6 mine, and whose residence is at 110 North McKinley, has for several months been in Sleepy Eye, Minn., operating a dragline for the Paul Zimmerman Construction Co. He is a Past Master of Harrisburg Lodge No. 325 A. F. and A. M. His bride has been employed at Barnhill's market on U. S. 45 in this city for some time and is a former resident of Carrier Mills.

They left today for Floodwood, Minn., to visit Mr. Heiskari's parents, following which they will return to Harrisburg and she will remain here until early June.

Mr. Zimmerman, who is head of the construction company with which Mr. Heiskari is associated, operated draglines in Saline and Pope counties several years ago. He and his wife, Beulah, formed a lasting friendship with Mr. Heiskari and several who met them while they were here will remember them.

Nazarene Bible Class Meets With Mrs. Grover Estes

The Bible class of the Church of the Nazarene held its monthly class meeting at the home of Mrs. Grover Estes. Group singing was led by Mrs. Lillie Bourland and a special song was sung by Mrs. Bourland, Marie Weatherly and Catherine Cantrell.

The devotion was read from James 5 by Delana Bourland with group discussion. Marie Weatherly read a poem entitled "Yielded," and Evie Estes read a poem, "The Grace of God."

Prayer was offered by Mrs. Tessie Rodgers.

Refreshments of sandwiches, jelly salad, cookies and coffee were served to the following: Mrs. Raleigh Hatcher, Irma Isham, Marie Weatherly, Tessie Rodgers, Lulu Hughes, Catherine Cantrell, Mr. and Mrs. Gordon Neighbors, Mr. and Mrs. Eugene Hughes and daughter, Linda, Mr. and Mrs. Ebert Parkinson and son, Johnny, Mr. and Mrs. Delana Bourland and the hostess, Mrs. Grover Estes.

American Legion Auxiliary Holds Business Meeting

The American Legion Auxiliary met recently at the auxiliary hall with Mrs. Paul Golish, president, presiding.

Donations were made to the Illinois Heart Association fund and to the American Red Cross. A new and interesting project has been given to the American Legion Auxiliary this year, the restoration and furnishing of a national shrine, the Flag House in Baltimore, Md. A donation was made for this also.

It was announced that the district meeting would be held in Clay City April 7. Plans were made for the American Legion birthday party which will be held March 17 at the American Legion home.

Louisville Meets Duquesne, Niagara Tackles Cincinnati In NIT Tourney Tonight

NEW YORK (AP) — Skyscraping Louisville puts top-seeded Duquesne to the "sickness test" and high-jumping Niagara tackles Cincinnati tonight as quarter-final competition opens in the National Invitational Basketball Tournament.

Duquesne was a solid favorite, but Cincinnati—which closed the regular season with four straight losses—was no better than a toss-up against red-hot Niagara.

WEBQ to Broadcast All Games from State Tournament

Ken Hamilton and Elmer Gladson, WEBQ sportscasters, are all ready to make their annual spring trip to Champaign to broadcast the Illinois high school state basketball tournament. They probably will leave early Wednesday morning.

This will mark the sixth year Ken and Elmer have broadcast from George Huff gym with the state tourney and is the second year they will put the entire 16-game program on the air. Previous to the 1954 meet WEBQ had carried only a part of the tourney, but last year all sixteen games were broadcast and again this year every game will be available to the station's listening audience.

The broadcast program will start Wednesday afternoon with the Moline-Princeton game and following will be Shawneetown-Park Forest Rich, also Wednesday afternoon.

WEBQ will come on the air with the tourney games five minutes before the start of each session—1:40 and 7:25 Wednesday, Thursday and Friday and 1:10 and 7:25 p. m. Saturday. There will be two games each session.

Shawneetown Five Presents Sectional Trophy to School

Shawneetown's unbeaten basketball team, the only undefeated left in the state, officially presented the school with the fifth place trophy it has won this year during the school's activity period this morning.

Announcement was made yesterday that the team would leave Tuesday morning for Champaign where the Indians open their bid for the state title Wednesday afternoon against Park Forest (Rich). Because it is necessary that the team leave tomorrow, no pep session is planned Tuesday evening.

Officials reported that the school had been allotted 447 tickets, and a program was being worked out to dispose of these in the fairest possible manner.

Settle Libel Suit Against Winchell

NEW YORK (AP) — The New York Daily Mirror published a statement today announcing settlement of \$1,525,000 in libel suits filed by the New York Post and its editor, James A. Wechsler.

The statement, authorized by Walter Winchell, said the columnist never said nor meant to say that the New York Post, its publisher or editor are Communists or are sympathetic to Communism.

The suits were discontinued with the publication of the statement and payment of \$30,000 in counsel fees and costs to the Post and Wechsler.

Winchell also disclosed Sunday night that he is leaving the ABC network because of a dispute over an insurance policy covering him for libel.

The columnist, who will leave the network Dec. 25 after 25 years, said he was paid \$10,000 weekly 52 weeks a year under the contract signed with ABC seven years ago.

up against red-hot Niagara.

Tonight's winners will meet in one semifinal on Thursday night. The quarter-final round concludes Tuesday night with second-seeded Dayton playing St. Louis and third-seeded Holy Cross meeting St. Francis, Pa., with winners in these games meeting in the other semi-final.

Duquesne never has won the NIT in seven previous tries, and Coach Donald (Dudey) Moore is worried that ailments suffered by his two All-Americans—Si Green and Dick Ricketts—may lead to an eighth failure.

Moore admitted this is no time for Green, who averaged 21.9 points per game, and Ricketts, who averaged 20.0 to feel sick. Because Louisville, on the strength it showed in beating Manhattan, 91-86, in Saturday's opening round, is dangerous.

As Moore admitted, the Cardinals looked "big and strong" as 6-foot-9 Johnny Prudhoe and 6-foot-8 Charlie Tyra swept the boards clean. Ricketts, 6-foot-7½, is the Dukes' only player near their altitude and he'll have to be able to jump if the Dukes are to get rebounds.

Niagara, generally regarded as the toughest of the unseeded teams, looked every bit the part in walling off Lafayette, 83-70, in the opening round to snap Lafayette's 20-game winning streak. Ed Fleming's 28 points paced the attack and the Purple Eagles from the Honeybrook City showed why they led the national statistics in two important departments—rebounding and fewest fouls committed.

But Cincinnati figures to be even tougher than Lafayette with a team average of 84 points per game, 14th best in the country.

Niagara must find some way to stop 6-foot-6 Jack Twyman, Cincinnati star who was the nation's 13th highest scorer this season with 25.1 points per game. He's set Bearcats records with 49 points in one game and 26 rebounds in another.

The seeded teams had first-round byes.

In other first-round games Saturday, St. Louis beat Connecticut, 110-103, in a game that smashed Madison Square Garden scoring marks for both one team and two teams, and St. Francis downed Seton Hall, 89-78, as Maurice Stokes tallied 29 points and nabbed 20 rebounds to lead St. Francis to victory after it had blown a 10-point first half lead.

U. S. Athletes On Way To Easy Victory in Pan-American Games

MEXICO CITY (AP) — The combined might of United States' athletes today threatened to make a run-away of the second Pan-American Games.

With a world-record smashing performance from a comparative

At the end of the first day this was the way the unofficial scoring went:

Scoring Duels Promised in Sweet 16 Tilts

Editor's note — This is the first of two dispatches on first round games of the Illinois prep basketball finals. This dispatch covers the upper bracket.

By United Press
Moline (26-2) vs. Princeton (30-1)
The opening game of the Sweet Sixteen promises to be a scorcher. Both teams are led by outstanding stars. Moline has been paced by 6-3 Whitey Verstraete, a forward with all-round ability. Princeton has Joe (Hooks) Ruklick, a 6-8 hook-shot terror who has swished more than 800 points at the rate of nearly 30 a game this season.

Short of Ruklick, Moline will have a height advantage, with George Seaberg, 6-3 brother of Iowa's Bill Seaberg, and 6-4 center Ken Anderson. Guards are dead-eye set-shot John Meyers and Frank Martel, speedy 5-10' floor man. Moline will lean on speed and a torrid shooting touch.

Ruklick has been considered the whole Princeton team by many. But when Rock Island Alleman ganged up on him and held him to three field goals, his shorter but husky teammates took up the slack—6-1 Forrest Finn, 6-0 Lewis Flinn, 5-11 Dick Hult and 5-10 Gary Mulally.

Against common opponent Ke-wanee, Princeton won 70-47 and Moline triumphed 65-41 during the regular season.

Park Forest Rich (25-2) vs. Shawneetown (31-0)

In this battle between two newcomers to the Sweet Sixteen, the advantages seem to be with Rich. But it's hard to forget that Shawneetown is unbeaten and has risen to the occasion to knock off Herrin and Anna-Jonesboro, a couple of southern Illinois stalwarts.

Rich not only will throw 6-5 Lloyd Rose and Ralph Myers, 6-4 Jim Denman and 6-3 Bill Hawkins at the smaller Indians, but they have one of the state's best shots from out-court Roger Taylor.

Taylor, 6-0 guard, has a deadly jump shot good for 25 points a game. Rich, a 2-year-old school, will have experienced master-minding from Greg Sloan, who won the tourney with La Grange in 1953 and took Pittsfield to Champaign before that.

Shawneetown has speed, spar-

king team play from boys who have been together since grade school, and a tight zone defense. Their players, husky but not tall, are Jack Nolan, 6-3 forward and top scorer; Bobby Spottsville, at 6-2 a rugged rebounder at center; Garrison Newsom, 5-10 playmaking guard, and Jack Drone and Al Gunzel, both 6-0.

Georgetown (22-8) vs. Elgin (23-3)
Just how strong the Buffaloes of Georgetown are must remain something of a mystery until after this game. They're not tall, but they won sectional games on rebound strength. They're not great shots, but they get a lot of shooting done in a game.

Georgetown has conquered Paris the team they may play next if they win this one. Ken Smith, not quite 6-3, is the big man, followed by 6-1 Bob Duncan and high-scoring Bill Morris, 5-11.

Favored Elgin has gangling jump shot specialist Tom Alecy, 6-5, at center. Gary Siegmeyer, a 6-5 forward, and Charles Rachow, 6-5 reserve, are other tall Maroons. Gary Smith and John Shurmeier are 6-2 and Paul Hudgens is 5-11. Elgin, with good teamwork, may have the height to grab the rebounds before they get down to shorter Georgetown.

Galesburg (17-11) vs. Paris (27-6)

There must have been a lot of satisfaction involved in just getting these two teams back to the finals. Galesburg hasn't been to the Sweet Sixteen since 1947 and has taken lumps in all sports in recent years. Ernie Eveland, who ties a record by taking his 11th team to the finals, just got back in harness at Paris in 1953 after a two-year fight with the school board. Paris' last trip to Huff Gym was in 1950.

Galesburg, under new Coach Frank Adams, had the height and stature the season well, then faltered and took some bad trouncings from Northwest loop powers Moline and Canton. Bill Granning is a dangerous 6-5 forward, and Russ Lind, Carroll Fay and 5-10 guard Mike Owens also can score well.

A bad omen for Galesburg might be that Paris' short club, maybe the shortest in the finals, has been beating taller clubs all season. Paris captain Ezra Smithson, 6-1, is the leading scorer and has been mentioned as one of the school's greatest. At the other forward is "Jumping Joe" McCord, 5-9, with 6-3 Bill Luth at center and 6-0 Tom Kennedy and 5-9 Bill Cash at the guards. A typical Eveland-coached club, the current Paris edition never tires and never rattles.

Snapshots of Sweet Sixteen

SPRINGFIELD (AP)—Snapshots of the Sweet Sixteen:

If the form sheet held true—and that's a big "if"—it would be Moline vs. Elgin and Rockford West vs. Pinckneyville in the semifinals, with Rockford West finally downing Moline for the title.

That's based on the way the teams were rated in the final United Press coaches poll to determine state title prospects, before the regional tournaments opened. Rockford West was ranked No. 1, Moline 2, Pinckneyville 4, Prince-

ton 5, Elgin 8 and Decatur 11. Princeton plays Moline in the tourney opener.

New coaches produced sectional winners at Peoria Spalding and Galesburg in their first seasons. Frank Adams turned the trick at Galesburg and Don Sullivan at Spalding.

Neither is a stranger to tournament play, however. Sullivan took Argenta to the Decatur sectional finals in 1951. His Argenta teams captured two district titles and four Macon county flags.

Adams went to Galesburg this season from Tecumseh, Neb., where his club took second in the 1954 Nebraska state cage finals.

Two 6 foot 8 inch centers will tower over the rest of the field at Champaign. They're Princeton's Joe Ruklick and Marshall's Arthur Day. Each averaged close to 30 points a game. In Chicago Public League play, Day's average was a torrid 34.3.

Decatur could match Mount Vernon's record by winning four championships by capturing the 1955 state title. Decatur, Rockford, Centralia and Freeport each have won three crowns apiece.

Other former champions in the 1955 Sweet Sixteen are Elgin (1924 and 1925), Paris (1943 and 1947), Pinckneyville (1948), Quincy (1934) and Galesburg (1913).

Moline falls into the often-a-bridesmaid, never-a-bride category. The Maroons were runners-up in 1943 and 1951 but have yet to nail down a championship.

Gay Kintner could rack up a new mark, too, if his Decatur team survives the tourney. He and Arthur L. Trout, Centralia, now are tied for the honor of coaching the most state champs at three each.

On the other hand, if Paris took the title, Tiger Coach Ernie Eveland would join Kintner and Trout with three championships. Eveland coached Paris to its 1943 and 1947 crowns.

By virtue of their teams' sectional wins Friday night, Kintner and Eveland tied another mark by ex-coach Mark A. Peterman of taking 11 teams to the finals. Peterman brought Canton to the tourney in 1923, 1924, 1925, 1926 and 1928; and Springfield in 1932, 1933, 1934, 1935, 1945 and 1947.

Shawneetown had to dash cold water on the hopes of its former coach to win its trip to Champaign. Anna-Jonesboro, the team Shawneetown beat in the Marion sectional finals, is coached by Bob Lewis, who handled Shawneetown two years ago. After the game Lewis congratulated his successor at Shawneetown, Barney Genisio, and said he hoped the Indians "go all the way."

Iowa Meets La Salle, San Francisco Plays Colorado In NCAA Semifinals Friday

By United Press

Come Friday night at Kansas City, it's La Salle against Iowa for the eastern championship and San Francisco against Colorado for the western title in the NCAA Basketball Tournament that already has seen its scoring record smashed three times.

Defending champion La Salle and streak-riding San Francisco were rated the slight early favorites to win Friday and advance to the final round for the national championship on Saturday.

But all four teams are red-hot and cocky after brilliant quarter-final triumphs Saturday night at four regional sites, and Iowa and Colorado were not conceding a single inch to either of their rivals.

La Salle advanced to the semifinals by winning the Philadelphia regional, smashing the tourney's single-game scoring mark for the second time in three games by wallowing Canisius, 99-64. Iowa advanced by whipping Marquette, 86-81, in the finals of the Evans-ton, Ill., regional.

'Frisco In Squeaker

San Francisco, ranked the nation's No. 1 team at the close of the regular season, won the Corvallis, Ore., regional in probably the tourney's most dramatic game so far, 57-56, over Oregon State. Colorado, victor now in 15 of its last 16 games, won the Manhattan, Kans., regional by drubbing Bradley, 93-81.

La Salle's 99 points eclipsed the record of 95 the Explorers had set in winning their preliminary round game against West Virginia. But the new mark stood only a couple of hours until Utah thrashed Seattle, 108-85, in the consolation game at Corvallis.

"Player of the Year" Tom Gola led La Salle again with a brilliant display that added up to 30 points, nine baskets in 15 shots, 25 rebounds, and five assists. But Coach Ken Loeffler, who once said his team consisted of "Gola and four students," said it's about time people "realized what a well-rounded team we have" and he said his defending champs "may not have reached their peak yet."

Iowa killed Marquette by taking a 13-point halftime lead. Marquette rallied to trail by only 81-80 with 2:08 to play, but Iowa stalled until Bob George sneaked through for a layup with 55 seconds for what proved to be the winning basket. Bill Logan led Iowa with 31 points, although he fouled out with 6:52 to play.

Colorado Hopeful

A crowd of 11,206 at Corvallis went wild with excitement as San Francisco tallied its 24th straight victory, especially when two baskets by seven-three Wade (Swede) Halbrook of Oregon State cut the Dons' lead to 57-55. K. C. Jones of the Dons was called on a technical foul for pushing while time was out and Reggie Halligan converted to make it 57-56. And State's ball with 13 seconds left. But Ron Robbins missed a set shot; there was a jump ball; and time ran out.

Key factor in the game was the scoring duel between All-America Bill Russell of the Dons and Halbrook—won by Russell, 29-18.

Colorado proved it's ready for San Francisco by setting a school scoring mark with its victory over

THE 100-MILLION-DOLLAR LOOK!

CHRYSLER WINDSOR DELUXE NASSAU WITH SPITFIRE V-8 ENGINE

"It's got everybody excited and we'd like to show you why"

Forgive us if we burst with pride... but we've got a terrific car here, and we want the whole world to know it!

It's the new Chrysler and the people who've been coming to see it and drive it are just as smitten with it as we are. It's the smartest, sleekest machine that ever appeared in an automobile showroom—and you should see it!

Most people prize good looks in a car. The 1955 Chrysler has it! Fashion people call it "tailored steel"—smart and different. It almost looks like it's going when it's standing still!

This, they tell us, is the new fashion in styling. We say hurrah! As for performance... well, double your enjoyment back if you don't think it's the best car you ever drove. Do it soon!

Recapture Two Brothers After Jail Escape

EFFINGHAM, Ill. (AP)—Two brothers used a bathtub leg to pry open a lock and escape from jail here but were captured by state and county officers a few hours afterward.

Effingham County Sheriff Thomas A. McDewitt said William Smith, 34, and J. T. Smith, 28, both of Tennessee, broke off a bathtub leg and used it to pry their cell door lock Saturday.

The escape was discovered when McDewitt carried breakfast to the cell. County and state officers were alerted, and state police put an airplane on the search.

Mrs. Roy White, wife of the village marshal at Edgewood, 18 miles south of here, saw the Smiths as they tried to buy a used car. She called authorities.

The plane spotted the two in a wooded area near Edgewood, and officers closed in to make the arrests. The brothers were unarmed.

Rev. Van Hoose to Address Young Republicans Tuesday

First full-scale meeting of the Saline County Young Republicans will take place tomorrow night at the city hall at 7:30 p. m., when Rev. A. D. Van Hoose, former candidate for Congress from this district, will be the speaker.

The newly-reorganized Young Republicans group, under the temporary chairmanship of J. D. Vaughn, has called the meeting to acquaint the younger members of the Republican party in Saline county with the purposes of the organization, and Vaughn issued an invitation to all Republicans between the ages of 18 and 35 to attend the meeting, hear Rev. Van Hoose, and affiliate with the organization.

Sherman Pupils Win Ratings in Dist. Music Contest

Mrs. Pearl Sherman accompanied several of her music students to the district music contest held in Mt. Vernon Saturday, March 12.

Ratings for the piano soloists were as follows: superior, Linda Rude, Harrisburg, and Larry Edwards, Carrier Mills; excellent, Susan Heaton, Vienna, and Roger Wiley, Harrisburg; and good, Janis Bayley, Ridgway; Carolyn Hanagan, Benton, and Tedra Moore, Norris City.

First superior ratings were awarded to Garrison Newsom, Shawneetown, and Wanda Jean Holloway, Carrier Mills, and an excellent rating was won by Charles Rann, Carrier Mills, all vocal students.

New Jersey elects its governor for a term of three years, all other states for two or four years.
